

Steadfast Dance Center Guidelines

COVID Guidelines

- We are doing our part in extra cleaning and disinfecting for our dance family's safety.
- We appreciate our vaccinated members, however for the safety of those who have not yet been vaccinated, we ask that all who enter the building wear a face covering.
- If you are not feeling well, please stay home.
- If you have direct contact with someone who has recently tested positive for COVID, please stay home until you receive a negative COVID test.
- Please follow travel guidelines according to the CDC.
- Due to limited lobby space, we ask that parents wait outside the studio. Free Trial/1st time parents will be allowed to stay and observe on the 1st day of class. We will be introducing a parent observation rotation throughout the year so that all parents get the opportunity to enjoy their child's progress.
- Let's do our part to keep ourselves and others safe.
- Thank you for your cooperation!
